From the U.S. Government Publishing Office, [www.gpo.gov](http://www.gpo.gov)**§77r. Exemption from State regulation of securities offerings****(a) Scope of exemption**

Except as otherwise provided in this section, no law, rule, regulation, or order, or other administrative action of any State or any political subdivision thereof—

(1) requiring, or with respect to, registration or qualification of securities, or registration or qualification of securities transactions, shall directly or indirectly apply to a security that—

(A) is a covered security; or

(B) will be a covered security upon completion of the transaction;

(2) shall directly or indirectly prohibit, limit, or impose any conditions upon the use of—

(A) with respect to a covered security described in subsection (b) of this section, any offering document that is prepared by or on behalf of the issuer; or

(B) any proxy statement, report to shareholders, or other disclosure document relating to a covered security or the issuer thereof that is required to be and is filed with the Commission or any national securities organization registered under section 78o-3 of this title, except that this subparagraph does not apply to the laws, rules, regulations, or orders, or other administrative actions of the State of incorporation of the issuer; or

(B) listed, or authorized for listing, on a national securities exchange (or tier or segment thereof) that has listing standards that the Commission determines by rule (on its own initiative or on the basis of a petition) are substantially similar to the listing standards applicable to securities described in subparagraph (A); or

(C) a security of the same issuer that is equal in seniority or that is a senior security to a security described in subparagraph (A) or (B).

**(2) Exclusive Federal registration of investment companies**

A security is a covered security if such security is a security issued by an investment company that is registered, or that has filed a registration statement, under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.].

**(3) Sales to qualified purchasers**

A security is a covered security with respect to the offer or sale of the security to qualified purchasers, as defined by the Commission by rule. In prescribing such rule, the Commission may define the term "qualified purchaser" differently with respect to different categories of securities, consistent with the public interest and the protection of investors.

**(4) Exemption in connection with certain exempt offerings**

A security is a covered security with respect to a transaction that is exempt from registration under this subchapter pursuant to—

- (A) paragraph (1) or (3) of section 77d<sup>1</sup> of this title, and the issuer of such security files reports with the Commission pursuant to section 78m or 78o(d) of this title;

(E) Commission rules or regulations issued under section 77d(2)<sup>1</sup> of this title, except that this subparagraph does not prohibit a State from imposing notice filing requirements that are substantially similar to those required by rule or regulation under section 77d(2)<sup>1</sup> of this title that are in effect on September 1, 1996.

**(c) Preservation of authority**

**(1) Fraud authority**

**(ii) Schedule**

The fees required by this subparagraph shall be paid, and all necessary supporting data on sales or offers for sales required under subparagraph (A), shall be reported on the same schedule as would have been applicable had the issuer not relied on the exemption provided in subsection (a) of this section.

**(C) Availability of preemption contingent on payment of fees****(i) In general**

During the period beginning on October 11, 1996, and ending 3 years after October 11, 1996, the securities commission (or any agency or office performing like functions) of any State may require the registration of securities issued by any issuer who refuses to pay the fees required by subparagraph (B).

**(3) Enforcement of requirements**

Nothing in this section shall prohibit the securities commission (or any agency or office performing like functions) of any State from suspending the offer or sale of securities within such State as a result of the failure to submit any filing or fee required under law and permitted under this section.

**(d) Definitions**

For purposes of this section, the following definitions shall apply:

**(1) Offering document**

From the U.S. Government Publishing Office, [www.gpo.gov](http://www.gpo.gov)

**§80a-3. Definition of investment company****(a) Definitions**

(1) When used in this subchapter, "investment company" means any issuer which—

(A) is or holds itself out as being engaged primarily, or proposes to engage primarily, in the business of investing, reinvesting, or trading in securities;

(B) is engaged or proposes to engage in the business of issuing face-amount certificates of the installment type, or has been engaged in such business and has any such certificate outstanding; or

(C) is engaged or proposes to engage in the business of investing, reinvesting, owning, holding, or trading in securities, and owns or proposes to acquire investment securities having a value exceeding 40 per centum of the value of such issuer's total assets (exclusive of Government securities and cash items) on an unconsolidated basis.

(2) As used in this section, "investment securities" includes all securities except (A) Government securities, (B) securities issued by employees' securities companies, and (C) securities issued by majority-owned subsidiaries of the owner which (i) are not investment companies, and (ii) are not relying on the exception from the definition of investment company in paragraph (1) or (7) of subsection (c) of this section.

**(b) Exemption from provisions**

Notwithstanding paragraph (1)(C) of subsection (a) of this section, none of the following persons is an investment company within the meaning of this subchapter:

(1) Any issuer primarily engaged, directly or through a wholly-owned subsidiary or subsidiaries, in a business or businesses other than that of investing, reinvesting, owning, holding, or trading in securities.

(2) Any issuer which the Commission, upon application by such issuer, finds and by order declares to be primarily engaged in a business or businesses other than that of investing, reinvesting, owning, holding, or trading in securities either directly or (A) through majority-owned subsidiaries or (B) through controlled companies conducting similar types of businesses. The filing of an application under this paragraph in good faith by an issuer other than a registered investment company shall exempt the applicant for a period of sixty days from all provisions of this subchapter applicable to investment companies as such. For cause shown, the Commission by order may extend such period of exemption for an additional period or periods. Whenever the Commission, upon its own motion or upon application, finds that the circumstances which gave rise to the issuance of an order granting an application under this paragraph no longer exist, the Commission shall by order revoke such order.

(3) Any issuer all the outstanding securities of which (other than short-term paper and directors' qualifying shares) are directly or indirectly owned by a company excepted from the definition of investment company by paragraph (1) or (2) of this subsection.

**(c) Further exemptions**

(1) Any issuer whose outstanding securities (other than short-term paper) are beneficially owned by not more than one hundred persons and which is not making and does not presently propose to make a public offering of its securities. For purposes of this paragraph:

(A) Beneficial ownership by a company shall be deemed to be beneficial ownership by one person, except that, if the company owns 10 per centum or more of the outstanding voting securities of the issuer, and is or, but for the exception provided for in this paragraph or paragraph (7), would be an investment company, the beneficial ownership shall be deemed to be that of the holders of such company's outstanding securities (other than short-term paper).

(B) Beneficial ownership by any person who acquires securities or interests in securities of an issuer described in the first sentence of this paragraph shall be deemed to be beneficial ownership by the person from whom such transfer was made, pursuant to such rules and regulations as the Commission shall prescribe as necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of this subchapter, where the transfer was caused by legal separation, divorce, death, or other involuntary event.

(2)(A) Any person primarily engaged in the business of underwriting and distributing securities issued by other persons, selling securities to customers, acting as broker, and acting as market intermediary, or any one or more of such activities, whose gross income normally is derived principally from such business and related activities.

(B) except in connection with the ordinary advertising of the bank's fiduciary services, interests in such fund are not—

(ii) offered for sale to the general public; and

(7)(A) Any issuer, the outstanding securities of which are owned exclusively by persons who, at the time of acquisition of such securities, are qualified purchasers, and which is not making and does not at that time propose to make a public offering of such securities. Securities that are owned by persons who received the securities from a qualified purchaser as a gift or bequest, or in a case in which the transfer was caused by legal separation, divorce, death, or other involuntary event, shall be deemed to be owned by a qualified purchaser, subject to such rules, regulations, and orders as the Commission may prescribe as necessary or appropriate in the public interest or for the protection of investors.

(B) Notwithstanding subparagraph (A), an issuer is within the exception provided by this paragraph if—

(i) in addition to qualified purchasers, outstanding securities of that issuer are beneficially owned by not more than 100 persons who are not qualified purchasers, if—

(I) such persons acquired any portion of the securities of such issuer on or before September 1, 1996; and

(II) at the time at which such persons initially acquired the securities of such issuer, the issuer was excepted by paragraph (1); and

(C) Each person that elects to redeem under subparagraph (B)(ii)(II) shall receive an amount in cash equal to that person's proportionate share of the issuer's net assets, unless the issuer elects to provide such person with the option of receiving, and such person agrees to receive, all or a portion of such person's share in assets of the issuer. If the issuer elects to provide such persons

with such an opportunity, disclosure concerning such opportunity shall be made in the disclosure required by subparagraph (B)(ii)(I).

(D) An issuer that is excepted under this paragraph shall nonetheless be deemed to be an investment company for purposes of the limitations set forth in subparagraphs (A)(i) and (B)(i) of section 80a-12(d)(1) of this title relating to the purchase or other acquisition by such issuer of any security issued by any registered investment company and the sale of any security issued by any registered open-end investment company to any such issuer.

(E) For purposes of determining compliance with this paragraph and paragraph (1), an issuer that is otherwise excepted under this paragraph and an issuer that is otherwise excepted under paragraph (1) shall not be treated by the Commission as being a single issuer for purposes of determining whether the outstanding securities of the issuer excepted under paragraph (1) are beneficially owned by not more than 100 persons or whether the outstanding securities of the issuer excepted under this paragraph are owned by persons that are not qualified purchasers. Nothing in this subparagraph shall be construed to establish that a person is a bona fide qualified purchaser for purposes of this paragraph or a bona fide beneficial owner for purposes of paragraph (1).

Title 29 - LABOR

CHAPTER 18 - EMPLOYEE RETIREMENT INCOME SECURITY PROGRAM

SUBCHAPTER I - PROTECTION OF EMPLOYEE BENEFIT RIGHTS

Subtitle A - General Provisions

Sec. 1002 - Definitions

From the U.S. Government Publishing Office, [www.gpo.gov](http://www.gpo.gov)**§1002. Definitions**

For purposes of this subchapter:

(1) The terms "employee welfare benefit plan" and "welfare plan" mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that such plan, fund, or program was established or is maintained for the purpose of providing for its participants or their beneficiaries, through the purchase of insurance or otherwise, (A) medical, surgical, or hospital care or benefits, or benefits in the event of sickness, accident, disability, death or unemployment, or vacation benefits, apprenticeship or other training programs, or day care centers, scholarship funds, or prepaid legal services, or (B) any benefit described in section 186(c) of this title (other than pensions on retirement or death, and insurance to provide such pensions).

(2)(A) Except as provided in subparagraph (B), the terms "employee pension benefit plan" and "pension plan" mean any plan, fund, or program which was heretofore or is hereafter established or maintained by an employer or by an employee organization, or by both, to the extent that by its express terms or as a result of surrounding circumstances such plan, fund, or program—

(i) provides retirement income to employees, or

(ii) results in a deferral of income by employees for periods extending to the termination of covered employment or beyond,

regardless of the method of calculating the contributions made to the plan, the method of calculating the benefits under the plan or the method of distributing benefits from the plan. A distribution from a plan, fund, or program shall not be treated as made in a form other than retirement income or as a distribution prior to termination of covered employment solely because such distribution is made to an employee who has attained age 62 and who is not separated from employment at the time of such distribution.

(B) The Secretary may by regulation prescribe rules consistent with the standards and purposes of this chapter providing one or more exempt categories under which—

(i) severance pay arrangements, and

(ii) supplemental retirement income payments, under which the pension benefits of retirees or their beneficiaries are supplemented to take into account some portion or all of the increases in the cost of living (as determined by the Secretary of Labor) since retirement,

shall, for purposes of this subchapter, be treated as welfare plans rather than pension plans. In the case of any arrangement or payment a principal effect of which is the evasion of the standards or purposes of this chapter applicable to pension plans, such arrangement or payment shall be treated as a pension plan. An applicable voluntary early retirement incentive plan (as defined in section 457(e)(11)(D)(ii) of title 26) making payments or supplements described in section 457(e)(11)(D)(i) of title 26, and an applicable employment retention plan (as defined in section 457(f)(4)(C) of title 26) making payments of benefits described in section 457(f)(4)(A) of title 26, shall, for purposes of this

subchapter, be treated as a welfare plan (and not a pension plan) with respect to such payments and supplements.

(3) The term "employee benefit plan" or "plan" means an employee welfare benefit plan or an employee pension benefit plan or a plan which is both an employee welfare benefit plan and an employee pension benefit plan.

(4) The term "employee organization" means any labor union or any organization of any kind, or any agency or employee representation committee, association, group, or plan, in which employees participate and which exists for the purpose, in whole or in part, of dealing with employers concerning an employee benefit plan, or other matters incidental to employment relationships; or any employees' beneficiary association organized for the purpose in whole or in part, of establishing such a plan.

(5) The term "employer" means any person acting directly as an employer, or indirectly in the interest of an employer, in relation to an employee benefit plan; and includes a group or association of employers acting for an employer in such capacity.

(6) The term "employee" means any individual employed by an employer.

(7) The term "participant" means any employee or former employee of an employer, or any member or former member of an employee organization, who is or may become eligible to receive a benefit of any type from an employee benefit plan which covers employees of such employer or members of such organization, or whose beneficiaries may be eligible to receive any such benefit.

(13) The term "Secretary" means the Secretary of Labor.

(14) The term "party in interest" means, as to an employee benefit plan—

(I) a 10 percent or more (directly or indirectly in capital or profits) partner or joint venturer of a person described in subparagraph (B), (C), (D), (E), or (G).

The Secretary, after consultation and coordination with the Secretary of the Treasury, may by regulation prescribe a percentage lower than 50 percent for subparagraph (E) and (G) and lower than 10 percent for subparagraph (H) or (I). The Secretary may prescribe regulations for determining the ownership (direct or indirect) of profits and beneficial interests, and the manner in which indirect stockholdings are taken into account. Any person who is a party in interest with respect to a plan to which a trust described in section 501(c)(22) of title 26 is permitted to make payments under section 1403 of this title shall be treated as a party in interest with respect to such trust.

(15) The term "relative" means a spouse, ancestor, lineal descendant, or spouse of a lineal descendant.

(16)(A) The term "administrator" means—

- (i) the person specifically so designated by the terms of the instrument under which the plan is operated;
- (ii) if an administrator is not so designated, the plan sponsor; or
- (iii) in the case of a plan for which an administrator is not designated and a plan sponsor cannot be identified, such other person as the Secretary may by regulation prescribe.

(B) The term "plan sponsor" means (i) the employer in the case of an employee benefit plan established or maintained by a single employer, (ii) the employee organization in the case of a plan established or maintained by an employee organization, or (iii) in the case of a plan established or maintained by two or more employers or jointly by one or more employers and one or more employee organizations, the association, committee, joint board of trustees, or other similar group of representatives of the parties who establish or maintain the plan.

(17) The term "separate account" means an account established or maintained by an insurance company under which income, gains, and losses, whether or not realized, from assets allocated to such account, are, in accordance with the applicable contract, credited to or charged against such account without regard to other income, gains, or losses of the insurance company.

(18) The term "adequate consideration" when used in part 4 of subtitle B of this subchapter means (A) in the case of a security for which there is a generally recognized market, either (i) the price of the security prevailing on a national securities exchange which is registered under section 78f of title 15, or (ii) if the security is not traded on such a national securities exchange, a price not less favorable to the plan than the offering price for the security as established by the current bid and asked prices quoted by persons independent of the issuer and of any party in interest; and (B) in the case of an asset other than a security for which there is a generally recognized market, the fair market value of the asset as determined in good faith by the trustee or named fiduciary pursuant to the terms of the plan and in accordance with regulations promulgated by the Secretary.

(19) The term "nonforfeitable" when used with respect to a pension benefit or right means a claim obtained by a participant or his beneficiary to that part of an immediate or deferred benefit under a

pension plan which arises from the participant's service, which is unconditional, and which is legally enforceable against the plan. For purposes of this paragraph, a right to an accrued benefit derived from employer contributions shall not be treated as forfeitable merely because the plan contains a provision described in section 1053(a)(3) of this title.

(20) The term "security" has the same meaning as such term has under section 77b(1)<sup>2</sup> of title 15.

(21)(A) Except as otherwise provided in subparagraph (B), a person is a fiduciary with respect to a plan to the extent (i) he exercises any discretionary authority or discretionary control respecting management of such plan or exercises any authority or control respecting management or disposition of its assets, (ii) he renders investment advice for a fee or other compensation, direct or indirect, with respect to any moneys or other property of such plan, or has any authority or responsibility to do so, or (iii) he has any discretionary authority or discretionary responsibility in the administration of such plan. Such term includes any person designated under section 1105(c)(1)(B) of this title.

(B) If any money or other property of an employee benefit plan is invested in securities issued by an investment company registered under the Investment Company Act of 1940 [15 U.S.C. 80a-1 et seq.], such investment shall not by itself cause such investment company or such investment company's investment adviser or principal underwriter to be deemed to be a fiduciary or a party in interest as those terms are defined in this subchapter, except insofar as such investment company or its investment adviser or principal underwriter acts in connection with an employee benefit plan covering employees of the investment company, the investment adviser, or its principal underwriter. Nothing contained in this subparagraph shall limit the duties imposed on such investment company, investment adviser, or principal underwriter by any other law.

(22) The term "normal retirement benefit" means the greater of the early retirement benefit under the plan, or the benefit under the plan commencing at normal retirement age. The normal retirement benefit shall be determined without regard to—

(A) medical benefits, and

(B) disability benefits not in excess of the qualified disability benefit.

For purposes of this paragraph, a qualified disability benefit is a disability benefit provided by a plan which does not exceed the benefit which would be provided for the participant if he separated from the service at normal retirement age. For purposes of this paragraph, the early retirement benefit under a plan shall be determined without regard to any benefit under the plan which the Secretary of the Treasury finds to be a benefit described in section 1054(b)(1)(G) of this title.

(23) The term "accrued benefit" means—

(A) in the case of a defined benefit plan, the individual's accrued benefit determined under the plan and, except as provided in section 1054(c)(3) of this title, expressed in the form of an annual benefit commencing at normal retirement age, or

(B) in the case of a plan which is an individual account plan, the balance of the individual's account.

The accrued benefit of an employee shall not be less than the amount determined under section 1054(c)(2)(B) of this title with respect to the employee's accumulated contribution.

(24) The term "normal retirement age" means the earlier of—

(A) the time a plan participant attains normal retirement age under the plan, or

(B) the later of—

(i) the time a plan participant attains age 65, or

(ii) the 5th anniversary of the time a plan participant commenced participation in the plan.

(25) The term "vested liabilities" means the present value of the immediate or deferred benefits available at normal retirement age for participants and their beneficiaries which are nonforfeitable.

(26) The term "current value" means fair market value where available and otherwise the fair value as determined in good faith by a trustee or a named fiduciary (as defined in section 1102(a)(2)

of this title) pursuant to the terms of the plan and in accordance with regulations of the Secretary, assuming an orderly liquidation at the time of such determination.

(27) The term "present value", with respect to a liability, means the value adjusted to reflect anticipated events. Such adjustments shall conform to such regulations as the Secretary of the Treasury may prescribe.

(28) The term "normal service cost" or "normal cost" means the annual cost of future pension benefits and administrative expenses assigned, under an actuarial cost method, to years subsequent to a particular valuation date of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(29) The term "accrued liability" means the excess of the present value, as of a particular valuation date of a pension plan, of the projected future benefit costs and administrative expenses for all plan participants and beneficiaries over the present value of future contributions for the normal cost of all applicable plan participants and beneficiaries. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(30) The term "unfunded accrued liability" means the excess of the accrued liability, under an actuarial cost method which so provides, over the present value of the assets of a pension plan. The Secretary of the Treasury may prescribe regulations to carry out this paragraph.

(31) The term "advance funding actuarial cost method" or "actuarial cost method" means a recognized actuarial technique utilized for establishing the amount and incidence of the annual actuarial cost of pension plan benefits and expenses. Acceptable actuarial cost methods shall include the accrued benefit cost method (unit credit method), the entry age normal cost method, the individual level premium cost method, the aggregate cost method, the attained age normal cost method, and the frozen initial liability cost method. The terminal funding cost method and the current funding (pay-as-you-go) cost method are not acceptable actuarial cost methods. The Secretary of the Treasury shall issue regulations to further define acceptable actuarial cost methods.

(32) The term "governmental plan" means a plan established or maintained for its employees by the Government of the United States, by the government of any State or political subdivision thereof, or by any agency or instrumentality of any of the foregoing. The term "governmental plan" also includes any plan to which the Railroad Retirement Act of 1935, or 1937 [45 U.S.C. 231 et seq.] applies, and which is financed by contributions required under that Act and any plan of an international organization which is exempt from taxation under the provisions of the International Organizations Immunities Act [22 U.S.C. 288 et seq.]. The term "governmental plan" includes a plan which is established and maintained by an Indian tribal government (as defined in section 7701(a)(40) of title 26), a subdivision of an Indian tribal government (determined in accordance with section 7871(d) of title 26), or an agency or instrumentality of either, and all of the participants of which are employees of such entity substantially all of whose services as such an employee are in the performance of essential governmental functions but not in the performance of commercial activities (whether or not an essential government function)<sup>3</sup>

(33)(A) The term "church plan" means a plan established and maintained (to the extent required in clause (ii) of subparagraph (B)) for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26.

(B) The term "church plan" does not include a plan—

(i) which is established and maintained primarily for the benefit of employees (or their beneficiaries) of such church or convention or association of churches who are employed in connection with one or more unrelated trades or businesses (within the meaning of section 513 of title 26), or

(ii) if less than substantially all of the individuals included in the plan are individuals described in subparagraph (A) or in clause (ii) of subparagraph (C) (or their beneficiaries).

(C) For purposes of this paragraph—

(i) A plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches includes a plan maintained by an organization, whether a civil law corporation or otherwise, the principal purpose or function of which is the administration or funding of a plan or program for the provision of retirement benefits or welfare benefits, or both, for the employees of a church or a convention or association of churches, if such organization is controlled by or associated with a church or a convention or association of churches.

(ii) The term employee of a church or a convention or association of churches includes—

(I) a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry, regardless of the source of his compensation;

(II) an employee of an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches; and

(III) an individual described in clause (v).

(iii) A church or a convention or association of churches which is exempt from tax under section 501 of title 26 shall be deemed the employer of any individual included as an employee under clause (ii).

(iv) An organization, whether a civil law corporation or otherwise, is associated with a church or a convention or association of churches if it shares common religious bonds and convictions with that church or convention or association of churches.

(v) If an employee who is included in a church plan separates from the service of a church or a convention or association of churches or an organization, whether a civil law corporation or otherwise, which is exempt from tax under section 501 of title 26 and which is controlled by or associated with a church or a convention or association of churches, the church plan shall not fail to meet the requirements of this paragraph merely because the plan—

(I) retains the employee's accrued benefit or account for the payment of benefits to the employee or his beneficiaries pursuant to the terms of the plan; or

(II) receives contributions on the employee's behalf after the employee's separation from such service, but only for a period of 5 years after such separation, unless the employee is disabled (within the meaning of the disability provisions of the church plan or, if there are no such provisions in the church plan, within the meaning of section 72(m)(7) of title 26) at the time of such separation from service.

(D)(i) If a plan established and maintained for its employees (or their beneficiaries) by a church or by a convention or association of churches which is exempt from tax under section 501 of title 26 fails to meet one or more of the requirements of this paragraph and corrects its failure to meet such requirements within the correction period, the plan shall be deemed to meet the requirements of this paragraph for the year in which the correction was made and for all prior years.

(ii) If a correction is not made within the correction period, the plan shall be deemed not to meet the requirements of this paragraph beginning with the date on which the earliest failure to meet one or more of such requirements occurred.

(iii) For purposes of this subparagraph, the term "correction period" means—

(I) the period ending 270 days after the date of mailing by the Secretary of the Treasury of a notice of default with respect to the plan's failure to meet one or more of the requirements of this paragraph; or

(II) any period set by a court of competent jurisdiction after a final determination that the plan fails to meet such requirements, or, if the court does not specify such period, any reasonable period determined by the Secretary of the Treasury on the basis of all the facts and circumstances, but in any event not less than 270 days after the determination has become final; or

(III) any additional period which the Secretary of the Treasury determines is reasonable or necessary for the correction of the default,

whichever has the latest ending date.

(34) The term "individual account plan" or "defined contribution plan" means a pension plan which provides for an individual account for each participant and for benefits based solely upon the amount contributed to the participant's account, and any income, expenses, gains and losses, and any forfeitures of accounts of other participants which may be allocated to such participant's account.

(35) The term "defined benefit plan" means a pension plan other than an individual account plan; except that a pension plan which is not an individual account plan and which provides a benefit derived from employer contributions which is based partly on the balance of the separate account of a participant—

(A) for the purposes of section 1052 of this title, shall be treated as an individual account plan, and

(B) for the purposes of paragraph (23) of this section and section 1054 of this title, shall be treated as an individual account plan to the extent benefits are based upon the separate account of a participant and as a defined benefit plan with respect to the remaining portion of benefits under the plan.

(36) The term "excess benefit plan" means a plan maintained by an employer solely for the purpose of providing benefits for certain employees in excess of the limitations on contributions and benefits imposed by section 415 of title 26 on plans to which that section applies without regard to whether the plan is funded. To the extent that a separable part of a plan (as determined by the Secretary of Labor) maintained by an employer is maintained for such purpose, that part shall be treated as a separate plan which is an excess benefit plan.

(37)(A) The term "multiemployer plan" means a plan—

- (i) to which more than one employer is required to contribute,
- (ii) which is maintained pursuant to one or more collective bargaining agreements between one or more employee organizations and more than one employer, and
- (iii) which satisfies such other requirements as the Secretary may prescribe by regulation.

(B) For purposes of this paragraph, all trades or businesses (whether or not incorporated) which are under common control within the meaning of section 1301(b)(1) of this title are considered a single employer.

(C) Notwithstanding subparagraph (A), a plan is a multiemployer plan on and after its termination date if the plan was a multiemployer plan under this paragraph for the plan year preceding its termination date.

(D) For purposes of this subchapter, notwithstanding the preceding provisions of this paragraph, for any plan year which began before September 26, 1980, the term "multiemployer plan" means a plan described in this paragraph (37) as in effect immediately before such date.

(E) Within one year after September 26, 1980, a multiemployer plan may irrevocably elect, pursuant to procedures established by the corporation and subject to the provisions of sections 1453 (b) and (c) of this title, that the plan shall not be treated as a multiemployer plan for all purposes under this chapter or the Internal Revenue Code of 1954 if for each of the last 3 plan years ending prior to the effective date of the Multiemployer Pension Plan Amendments Act of 1980—

(i) the plan was not a multiemployer plan because the plan was not a plan described in subparagraph (A)(iii) of this paragraph and section 414(f)(1)(C) of title 26 (as such provisions were in effect on the day before September 26, 1980); and

(ii) the plan had been identified as a plan that was not a multiemployer plan in substantially all its filings with the corporation, the Secretary of Labor and the Secretary of the Treasury.

(F)(i) For purposes of this subchapter a qualified football coaches plan—

(I) shall be treated as a multiemployer plan to the extent not inconsistent with the purposes of this subparagraph; and

(II) notwithstanding section 401(k)(4)(B) of title 26, may include a qualified cash and deferred arrangement.

(ii) For purposes of this subparagraph, the term "qualified football coaches plan" means any defined contribution plan which is established and maintained by an organization—

(I) which is described in section 501(c) of title 26;

(II) the membership of which consists entirely of individuals who primarily coach football as full-time employees of 4-year colleges or universities described in section 170(b)(1)(A)(ii) of title 26; and

(III) which was in existence on September 18, 1986.

(G)(i) Within 1 year after August 17, 2006—

(I) an election under subparagraph (E) may be revoked, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, if, for each of the 3 plan years prior to August 17, 2006, the plan would have been a multiemployer plan but for the election under subparagraph (E), and

(II) a plan that meets the criteria in clauses (i) and (ii) of subparagraph (A) of this paragraph or that is described in clause (vi) may, pursuant to procedures prescribed by the Pension Benefit Guaranty Corporation, elect to be a multiemployer plan, if—

(aa) for each of the 3 plan years immediately preceding the first plan year for which the election under this paragraph is effective with respect to the plan, the plan has met those criteria or is so described,

(bb) substantially all of the plan's employer contributions for each of those plan years were made or required to be made by organizations that were exempt from tax under section 501 of title 26, and

(cc) the plan was established prior to September 2, 1974.

(ii) An election under this subparagraph shall be effective for all purposes under this chapter and under title 26, starting with any plan year beginning on or after January 1, 1999, and ending before January 1, 2008, as designated by the plan in the election made under clause (i)(II).

(iii) Once made, an election under this subparagraph shall be irrevocable, except that a plan described in clause (i)(II) shall cease to be a multiemployer plan as of the plan year beginning immediately after the first plan year for which the majority of its employer contributions were made or required to be made by organizations that were not exempt from tax under section 501 of title 26.

(iv) The fact that a plan makes an election under clause (i)(II) does not imply that the plan was not a multiemployer plan prior to the date of the election or would not be a multiemployer plan without regard to the election.

(v)(I) No later than 30 days before an election is made under this subparagraph, the plan administrator shall provide notice of the pending election to each plan participant and beneficiary, each labor organization representing such participants or beneficiaries, and each employer that has an obligation to contribute to the plan, describing the principal differences between the guarantee programs under subchapter III and the benefit restrictions under this subchapter for single employer and multiemployer plans, along with such other information as the plan administrator chooses to include.

(II) Within 180 days after August 17, 2006, the Secretary shall prescribe a model notice under this clause.

(III) A plan administrator's failure to provide the notice required under this subparagraph shall be treated for purposes of section 1132(c)(2) of this title as a failure or refusal by the plan administrator to file the annual report required to be filed with the Secretary under section 1021(b)(1) of this title.

(vi) A plan is described in this clause if it is a plan sponsored by an organization which is described in section 501(c)(5) of title 26 and exempt from tax under section 501(a) of such title and which was established in Chicago, Illinois, on August 12, 1881.

(vii) For purposes of this chapter and title 26, a plan making an election under this subparagraph shall be treated as maintained pursuant to a collective bargaining agreement if a collective bargaining agreement, expressly or otherwise, provides for or permits employer contributions to the plan by one or more employers that are signatory to such agreement, or participation in the plan by one or more employees of an employer that is signatory to such agreement, regardless of whether the plan was created, established, or maintained for such employees by virtue of another document that is not a collective bargaining agreement.

(38) The term "investment manager" means any fiduciary (other than a trustee or named fiduciary, as defined in section 1102(a)(2) of this title)—

(A) who has the power to manage, acquire, or dispose of any asset of a plan;

(B) who (i) is registered as an investment adviser under the Investment Advisers Act of 1940 [15 U.S.C. 80b-1 et seq.]; (ii) is not registered as an investment adviser under such Act by reason of paragraph (1) of section 203A(a) of such Act [15 U.S.C. 80b-3a(a)], is registered as an investment adviser under the laws of the State (referred to in such paragraph (1)) in which it maintains its principal office and place of business, and, at the time the fiduciary last filed the registration form most recently filed by the fiduciary with such State in order to maintain the fiduciary's registration under the laws of such State, also filed a copy of such form with the Secretary; (iii) is a bank, as defined in that Act; or (iv) is an insurance company qualified to perform services described in subparagraph (A) under the laws of more than one State; and

(C) has acknowledged in writing that he is a fiduciary with respect to the plan.

(39) The terms "plan year" and "fiscal year of the plan" mean, with respect to a plan, the calendar, policy, or fiscal year on which the records of the plan are kept.

(40)(A) The term "multiple employer welfare arrangement" means an employee welfare benefit plan, or any other arrangement (other than an employee welfare benefit plan), which is established or maintained for the purpose of offering or providing any benefit described in paragraph (1) to the employees of two or more employers (including one or more self-employed individuals), or to their beneficiaries, except that such term does not include any such plan or other arrangement which is established or maintained—

(i) under or pursuant to one or more agreements which the Secretary finds to be collective bargaining agreements,

(ii) by a rural electric cooperative, or

(iii) by a rural telephone cooperative association.

(B) For purposes of this paragraph—

(i) two or more trades or businesses, whether or not incorporated, shall be deemed a single employer if such trades or businesses are within the same control group,

(ii) the term "control group" means a group of trades or businesses under common control,

(i) from qualified pole rentals, or

(ii) from any provision or sale of electric energy transmission services or ancillary services if such services are provided on a nondiscriminatory open access basis under an open access transmission tariff approved or accepted by FERC or under an independent transmission provider agreement approved or accepted by FERC (other than income received or accrued directly or indirectly from a member),

(ii) is used pursuant to the rental to support one or more wires (in addition to the wires described in clause (i)) for use in connection with the transmission by wire of electricity or of telephone or other communications.

For purposes of the preceding sentence, the term "rental" includes any sale of the right to use the pole (or other structure).

(E) For purposes of subparagraph (C)(ii), the term "FERC" means the Federal Energy Regulatory Commission and references to such term shall be treated as including the Public Utility Commission of Texas with respect to any ERCOT utility (as defined in section 212(k)(2)(B) of the Federal Power Act (16 U.S.C. 824k(k)(2)(B))).

(F) For purposes of subparagraph (C)(iv), the term "nuclear decommissioning transaction" means—

(i) generating, transmitting, distributing, or selling electric energy, or

(ii) producing, transmitting, distributing, or selling natural gas.

(H)(i) In the case of a mutual or cooperative electric company described in this paragraph or an organization described in section 1381(a)(2)(C), income received or accrued from a load loss transaction shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(ii) For purposes of clause (i), the term "load loss transaction" means any wholesale or retail sale of electric energy (other than to members) to the extent that the aggregate sales during the recovery period do not exceed the load loss mitigation sales limit for such period.

(iii) For purposes of clause (ii), the load loss mitigation sales limit for the recovery period is the sum of the annual load losses for each year of such period.

(iv) For purposes of clause (iii), a mutual or cooperative electric company's annual load loss for each year of the recovery period is the amount (if any) by which—

(I) the megawatt hours of electric energy sold during such year to members of such electric company are less than

(II) the megawatt hours of electric energy sold during the base year to such members.

(v) For purposes of clause (iv)(II), the term "base year" means—

(I) the calendar year preceding the start-up year, or

(II) at the election of the mutual or cooperative electric company, the second or third calendar years preceding the start-up year.

(vi) For purposes of this subparagraph, the recovery period is the 7-year period beginning with the start-up year.

(vii) For purposes of this subparagraph, the start-up year is the first year that the mutual or cooperative electric company offers nondiscriminatory open access or the calendar year which includes the date of the enactment of this subparagraph, if later, at the election of such company.

(viii) A company shall not fail to be treated as a mutual or cooperative electric company for purposes of this paragraph or as a corporation operating on a cooperative basis for purposes of section 1381(a)(2)(C) by reason of the treatment under clause (i).

(ix) For purposes of subparagraph (A), in the case of a mutual or cooperative electric company, income received, or accrued, indirectly from a member shall be treated as an amount collected from members for the sole purpose of meeting losses and expenses.

(13) Cemetery companies owned and operated exclusively for the benefit of their members or which are not operated for profit; and any corporation chartered solely for the purpose of the disposal of bodies by burial or cremation which is not permitted by its charter to engage in any business not necessarily incident to that purpose and no part of the net earnings of which inures to the benefit of any private shareholder or individual.

(14)(A) Credit unions without capital stock organized and operated for mutual purposes and without profit.

(B) Corporations or associations without capital stock organized before September 1, 1957, and operated for mutual purposes and without profit for the purpose of providing reserve funds for, and insurance of shares or deposits in—

(iii) mutual savings banks not having capital stock represented by shares, or

(iv) mutual savings banks described in section 591(b)<sup>2</sup>

(C) Corporations or associations organized before September 1, 1957, and operated for mutual purposes and without profit for the purpose of providing reserve funds for associations or banks described in clause (i), (ii), or (iii) of subparagraph (B); but only if 85 percent or more of the

income is attributable to providing such reserve funds and to investments. This subparagraph shall not apply to any corporation or association entitled to exemption under subparagraph (B).

(15)(A) Insurance companies (as defined in section 816(a)) other than life (including interinsurers and reciprocal underwriters) if—

- (i)(I) the gross receipts for the taxable year do not exceed \$600,000, and
- (II) more than 50 percent of such gross receipts consist of premiums, or
- (ii) in the case of a mutual insurance company—
  - (I) the gross receipts of which for the taxable year do not exceed \$150,000, and
  - (II) more than 35 percent of such gross receipts consist of premiums.

Clause (ii) shall not apply to a company if any employee of the company, or a member of the employee's family (as defined in section 2032A(e)(2)), is an employee of another company exempt from taxation by reason of this paragraph (or would be so exempt but for this sentence).

(B) For purposes of subparagraph (A), in determining whether any company or association is described in subparagraph (A), such company or association shall be treated as receiving during the taxable year amounts described in subparagraph (A) which are received during such year by all other companies or associations which are members of the same controlled group as the insurance company or association for which the determination is being made.

(C) For purposes of subparagraph (B), the term "controlled group" has the meaning given such term by section 831(b)(2)(B)(ii), except that in applying section 831(b)(2)(B)(ii) for purposes of this subparagraph, subparagraphs (B) and (C) of section 1563(b)(2) shall be disregarded.

(16) Corporations organized by an association subject to part IV of this subchapter or members thereof, for the purpose of financing the ordinary crop operations of such members or other producers, and operated in conjunction with such association. Exemption shall not be denied any such corporation because it has capital stock, if the dividend rate of such stock is fixed at not to exceed the legal rate of interest in the State of incorporation or 8 percent per annum, whichever is greater, on the value of the consideration for which the stock was issued, and if substantially all such stock (other than nonvoting preferred stock, the owners of which are not entitled or permitted to participate, directly or indirectly, in the profits of the corporation, on dissolution or otherwise, beyond the fixed dividends) is owned by such association, or members thereof; nor shall exemption be denied any such corporation because there is accumulated and maintained by it a reserve required by State law or a reasonable reserve for any necessary purpose.

(17)(A) A trust or trusts forming part of a plan providing for the payment of supplemental unemployment compensation benefits, if—

- (i) under the plan, it is impossible, at any time prior to the satisfaction of all liabilities, with respect to employees under the plan, for any part of the corpus or income to be (within the taxable year or thereafter) used for, or diverted to, any purpose other than the providing of supplemental unemployment compensation benefits,
- (ii) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)), and
- (iii) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of section 414(q)). A plan shall not be considered discriminatory within the meaning of this clause merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan.

(B) In determining whether a plan meets the requirements of subparagraph (A), any benefits provided under any other plan shall not be taken into consideration, except that a plan shall not be considered discriminatory—

(i) merely because the benefits under the plan which are first determined in a nondiscriminatory manner within the meaning of subparagraph (A) are then reduced by any sick, accident, or unemployment compensation benefits received under State or Federal law (or reduced by a portion of such benefits if determined in a nondiscriminatory manner), or

(ii) merely because the plan provides only for employees who are not eligible to receive sick, accident, or unemployment compensation benefits under State or Federal law the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such laws if such employees were eligible for such benefits, or

(iii) merely because the plan provides only for employees who are not eligible under another plan (which meets the requirements of subparagraph (A)) of supplemental unemployment compensation benefits provided wholly by the employer the same benefits (or a portion of such benefits if determined in a nondiscriminatory manner) which such employees would receive under such other plan if such employees were eligible under such other plan, but only if the employees eligible under both plans would make a classification which would be nondiscriminatory within the meaning of subparagraph (A).

(C) A plan shall be considered to meet the requirements of subparagraph (A) during the whole of any year of the plan if on one day in each quarter it satisfies such requirements.

(D) The term "supplemental unemployment compensation benefits" means only—

(i) benefits which are paid to an employee because of his involuntary separation from the employment of the employer (whether or not such separation is temporary) resulting directly from a reduction in force, the discontinuance of a plant or operation, or other similar conditions, and

(ii) sick and accident benefits subordinate to the benefits described in clause (i).

(E) Exemption shall not be denied under subsection (a) to any organization entitled to such exemption as an association described in paragraph (9) of this subsection merely because such organization provides for the payment of supplemental unemployment benefits (as defined in subparagraph (D)(i)).

(18) A trust or trusts created before June 25, 1959, forming part of a plan providing for the payment of benefits under a pension plan funded only by contributions of employees, if—

(A) under the plan, it is impossible, at any time prior to the satisfaction of all liabilities with respect to employees under the plan, for any part of the corpus or income to be (within the taxable year or thereafter) used for, or diverted to, any purpose other than the providing of benefits under the plan,

(B) such benefits are payable to employees under a classification which is set forth in the plan and which is found by the Secretary not to be discriminatory in favor of employees who are highly compensated employees (within the meaning of section 414(q)),

(C) such benefits do not discriminate in favor of employees who are highly compensated employees (within the meaning of section 414(q)). A plan shall not be considered discriminatory within the meaning of this subparagraph merely because the benefits received under the plan bear a uniform relationship to the total compensation, or the basic or regular rate of compensation, of the employees covered by the plan, and

(D) in the case of a plan under which an employee may designate certain contributions as deductible—

(i) such contributions do not exceed the amount with respect to which a deduction is allowable under section 219(b)(3),

(ii) requirements similar to the requirements of section 401(k)(3)(A)(ii) are met with respect to such elective contributions,

(iii) such contributions are treated as elective deferrals for purposes of section 402(g), and

(iv) the requirements of section 401(a)(30) are met.

For purposes of subparagraph (D)(ii), rules similar to the rules of section 401(k)(8) shall apply. For purposes of section 4979, any excess contribution under clause (ii) shall be treated as an excess contribution under a cash or deferred arrangement.

(19) A post or organization of past or present members of the Armed Forces of the United States, or an auxiliary unit or society of, or a trust or foundation for, any such post or organization—

(A) organized in the United States or any of its possessions,

(B) at least 75 percent of the members of which are past or present members of the Armed Forces of the United States and substantially all of the other members of which are individuals who are cadets or are spouses, widows,<sup>3</sup> widowers, ancestors, or lineal descendants of past or present members of the Armed Forces of the United States or of cadets, and

(C) no part of the net earnings of which inures to the benefit of any private shareholder or individual.

[(20) Repealed. Pub. L. 113–295, div. A, title II, §221(a)(19)(B)(iii), Dec. 19, 2014, 128 Stat. 4040.]

(III) to pay administrative and other incidental expenses of such trust in connection with the operation of the trust and the processing of claims against such person under Black Lung Acts, and

(IV) to pay accident or health benefits for retired miners and their spouses and dependents (including administrative and other incidental expenses of such trust in connection therewith) or premiums for insurance exclusively covering such benefits; and

(ii) no part of the assets of the trust may be used for, or diverted to, any purpose other than—

(I) the purposes described in clause (i),

(II) investment (but only to the extent that the trustee determines that a portion of the assets is not currently needed for the purposes described in clause (i)) in qualified investments, or

(III) payment into the Black Lung Disability Trust Fund established under section 9501, or into the general fund of the United States Treasury (other than in satisfaction of any tax or other civil or criminal liability of the person who established or contributed to the trust).

(B) No deduction shall be allowed under this chapter for any payment described in subparagraph (A)(i)(IV) from such trust.

(C) Payments described in subparagraph (A)(i)(IV) may be made from such trust during a taxable year only to the extent that the aggregate amount of such payments during such taxable year does not exceed the excess (if any), as of the close of the preceding taxable year, of—

(i) the fair market value of the assets of the trust, over

(ii) 110 percent of the present value of the liability described in subparagraph (A)(i)(I) of such person.

The determinations under the preceding sentence shall be made by an independent actuary using actuarial methods and assumptions (not inconsistent with the regulations prescribed under section 192(c)(1)(A)) each of which is reasonable and which are reasonable in the aggregate.

(iii) The term "miner" has the same meaning as such term has when used in section 402(d) of the Black Lung Benefits Act (30 U.S.C. 902(d)).

(iv) The term "incidental expenses" includes legal, accounting, actuarial, and trustee expenses.

(22) A trust created or organized in the United States and established in writing by the plan sponsors of multiemployer plans if—

(A) the purpose of such trust is exclusively—

(i) to pay any amount described in section 4223(c) or (h) of the Employee Retirement Income Security Act of 1974, and

(ii) to pay reasonable and necessary administrative expenses in connection with the establishment and operation of the trust and the processing of claims against the trust,

(B) no part of the assets of the trust may be used for, or diverted to, any purpose other than—

(C) such trust meets the requirements of paragraphs (2), (3), and (4) of section 4223(b), 4223 (h), or, if applicable, section 4223(c) of the Employee Retirement Income Security Act of 1974, and

PRELIMINARY NOTES: 1. This section relates solely to the application of section 5 of the Act and not to antifraud or other provisions of the federal securities laws.

2. Attempted compliance with this section does not act as an exclusive election; any seller hereunder may also claim the availability of any other applicable exemption from the registration requirements of the Act.

3. In view of the objective of this section and the policies underlying the Act, this section is not available with respect to any transaction or series of transactions that, although in technical compliance with this section, is part of a plan or scheme to evade the registration provisions of the Act. In such cases, registration under the Act is required.

4. Nothing in this section obviates the need for any issuer or any other person to comply with the securities registration or broker-dealer registration requirements of the Securities Exchange Act of 1934 (the *Exchange Act*), whenever such requirements are applicable.

5. Nothing in this section obviates the need for any person to comply with any applicable state law relating to the offer or sale of securities.

6. Securities acquired in a transaction made pursuant to the provisions of this section are deemed to be *restricted securities* within the meaning of §230.144(a)(3) of this chapter.

7. The fact that purchasers of securities from the issuer thereof may purchase such securities with a view to reselling such securities pursuant to this section will not affect the availability to such issuer of an exemption under section 4(a)(2) of the Act, or Regulation D under the Act, from the registration requirements of the Act.

(2) "Affiliated company" means a company which is an affiliated person.

(3) "Affiliated person" of another person means (A) any person directly or indirectly owning, controlling, or holding with power to vote, 5 per centum or more of the outstanding voting securities of such other person; (B) any person 5 per centum or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by such other person; (C) any person directly or indirectly controlling, controlled by, or under common control with, such other person; (D) any officer, director, partner, copartner, or employee of such other person; (E) if such other person is an investment company, any investment adviser thereof or any member of an advisory board thereof; and (F) if such other person is an unincorporated investment company not having a board of directors, the depositor thereof.

If an application filed hereunder is not granted or denied by the Commission within sixty days after filing thereof, the determination sought by the application shall be deemed to have been temporarily granted pending final determination of the Commission thereon. (B) as used elsewhere in this subchapter, (i) with respect to securities for which market quotations are readily available, the market value of such securities; and (ii) with respect to other securities and assets, fair value as determined in good faith by the board of directors;

in each case as of such time or times as determined pursuant to this subchapter, and the rules and regulations issued by the Commission hereunder. Notwithstanding the fact that market quotations for securities issued by controlled companies are available, the board of directors may in good faith determine the value of such securities: *Provided*, That the value so determined is not in excess of the higher of market value or asset value of such securities in the case of majority-owned subsidiaries, and is not in excess of market value in the case of other controlled companies.

For purposes of the valuation of those assets of a registered diversified company which are not subject to the limitations provided for in section 80a-5(b)(1) of this title, the Commission may, by rules and regulations or orders, permit any security to be carried at cost, if it shall determine that such procedure is consistent with the general intent and purposes of this subchapter. For purposes of sections 80a-5 and 80a-12 of this title in lieu of values determined as provided in clause (A) above, the Commission shall by rules and regulations permit valuation of securities at cost or other basis in cases where it may be more convenient for such company to make its computations on such basis by reason of the necessity or desirability of complying with the provisions of any United States revenue laws or rules and regulations issued thereunder, or the laws or the rules and regulations issued thereunder of any State in which the securities of such company may be qualified for sale.

The foregoing definition shall not derogate from the authority of the Commission with respect to the reports, information, and documents to be filed with the Commission by any registered company, or with respect to the accounting policies and principles to be followed by any such company, as provided in sections 80a-8, 80a-29, and 80a-30 of this title.
